## NATIONAL MARKET

OCTOBER 2021

Alex Goldstein Property Consultants bring you the latest trends in the UK's housing market with a detailed focus on our local market.

## Rental market

Rental values are rising at their strongest pace in three years. Average values across the UK, excluding London, rose by 2.0% in the year to August (ONS). Rental values across the capital continue to buck the trend, 0.4% lower year-on-year.

According to the RICS July sentiment survey, tenant demand rose for a fifth straight quarter, with a net balance of +52% of respondents noting a rise in demand.

## Economy

The UK economy grew by 0.1% in July, its sixth consecutive month of growth although growth slowed significantly from the 1% recorded in June. Output in the service sector remained broadly unchanged, the construction sector contracting by 1.6%.

The number of job vacancies in the UK has risen above 1 million for the first time since records began in 2001.. There were 1.03 million vacancies recorded in the three months to August. The ONS also report employee numbers are now back to pre-Covid levels.
